Is your company, organization or association concerned about making a good impression? Does it need that session? You will enjoy and appreciate this fun, engaging, and eye-opening presentation and learn how to make a great impression, bond with others, and perhaps sing a tune! It's a **MUST ATTEND** if you mind the future of your company/organization and want to see how it relates to your

overall success. We'll drill down to specifics about first impression and how important it is in your ability to genuinely bond with your customers and colleagues.

Learning Objectives:

1. Learn how to make a positive and lasting first impression.
2. How to connect authentically with others.
3. How to communicate effectively/listen and be heard.
4. How to feel and convey respect and confidence.
5. Learn how to take advantage of opportunities.
