Introduction for Chez:

Chez escaped communist Poland at the age of twenty-five and crossed the Alps on foot to reach the refugee camp in Austria.

Six months later, a miracle happened – he received American asylum and was on his way to freedom! Arriving with no money, no job, no friends, and no knowledge of the English language but he came with a fire, with dreams, desires, and determination to live life to the fullest.

Today, Chez is a successful entrepreneur, an award-winning author, songwriter, speaker, proud father, and a most excited American citizen!

In 2009, in the spirit of giving back to America, Chez delivered 100 free presentations.

He speaks in Europe: his own native country of Poland that sponsors programs by the European Union, and England to young entrepreneurs.

He is a man on a mission for life with a great attitude regardless of present challenges.

Get ready for Chez to rock your world, move your mind, and warm your heart.

Please welcome CHEZ!
