Introduction for Janie & Chez:

Janie Jasin is on an amazing life's journey filled with surprises. As an inspirational speaker and best-selling author, she has been sharing her stories of love, laughter, and family with audiences for more than 30 years. Name an audience and she has probably met them along the way— from the Mayo Clinic to Medtronic; from teens to dog groomers; from prison inmates to volunteers.

She is a mom of three grown children and grandmother. She is a humorist with an attitude of gratitude.

Chez escaped communist Poland at the age of twenty-five and crossed the Alps on foot to reach the refugee camp in Austria.

Six months later, a miracle happened – he received American asylum and was on his way to freedom! He arrived here with no money, no job, no friends, and no knowledge of the English language, but he brought with him a great attitude, dreams, desires, and determination to live life to the fullest in this land of opportunity.

Today, Chez is a successful entrepreneur, an award-winning author, songwriter, speaker, proud father, and a most excited American citizen!

Get ready for these two to rock your world, move your minds, and warm your hearts.

Please welcome JANIE & CHEZ!
