Wise Words & Lots of Laughter

Janie Jasin has been igniting energy in audiences for more than three decades. Inspired by legends like Norman Vincent Peale, Jim Rohn, and Zig Ziglar, she delivers a powerful message, laced with stories and humor that move audiences. Her life journey has taken many turns and been filled with surprises. She shares the ways she's looked at each of them as a gift and used them to enrich her life. Janie beautifully weaves the topics and goals of your meeting with laughter, love, creativity, hope, and determination. Through music, storytelling, and audience participation, senses are awakened, stress is relieved, creativity soars, and enthusiasm grows.

Janie has been honored as a speaker by the Association of Applied Therapeutic Humor, the National Speaker's Association, and the Council of Nursing Home Educators.

Janie's clients include Medtronic, General Mills, Hazelden, Mayo Clinic, Sysco, 3M, Cenex LandO'Lakes, Alzheimer's Associations, AT&T, The American Heart Association, and many, many more.
