

CREATIVITY "NO LIMITS" INC. JANIE JASIN, CSP

FROM SPEAKER TO COACH - WHAT'S MINE CAN BE YOURS

After speaking professionally for over 30 years, achieving CSP, serving as Minnesota NSA president, delivering thousands of keynotes around the country, writing and producing many products and books (including one that sold over 1 million copies) I wish to do one more thing:

I want the best for you, an aspiring or already in motion speaker, to learn and grow to be the best you can be on the platform!

My wish is for all audiences whether they are audiences of cancer survivors, kids, parents, caregivers, corporations, associations or church groups, to hear your greatest words of wit and wonder. Using my experience, resources and expertise, I will help you find those words and deliver them in effective ways.

Every year thousands of people become speakers. Out of those thousands only a selected few make it in this business. While we get hooked on technology, products and marketing we forget what makes a speaker great.

Platform skills cannot be outsourced, purchased, or ignored, but can be learned and honed artfully and lovingly, dramatically and creatively. With me as your coach, you will greatly improve your chance of success and perhaps live the dream life you have always wanted - The life of the magical speaking vocation that I love and live and want to pass along to you.
